

CIRQLATION™

Foot & Calf Massager

Targeted relief
for feet & calves

Figure-Eight™
Technology

Chiropractor-Approved.

"Many hip and back problems I treat often originate from people overcompensating for sore, tired feet and lower legs. The CirQlation Foot & Calf Massager is a great way to maintain foot and leg muscle and joint wellness, which contributes to overall physical well-being."

– Dr. Stephen Ward, D.C.
Doctor of Chiropractic

Want feet and lower legs to feel great? Experience the power of Figure-Eight™!

Whether you're running from meeting to meeting, lugging groceries and the kids around town, or training for that big race, your feet and lower legs do a ton of heavy lifting. It's time to give them a break. And the Human Touch® CirQlation™ Pro Foot & Calf Massager with Figure-Eight™ Technology is just what those tired, aching muscles are begging for.

Slide into the sleek foot wells, feel them completely envelop your feet and lower legs, then select from three auto-massage programs – Refresh & Relax, Brisk Relief and Under-Foot Indulgence, or three different speeds. Whichever you choose, you'll enjoy the wellness benefits of the CirQlation™ Pro foot-and-calf massage that delivers a remarkably life-like massage incorporating the patented Figure-Eight™ Technology that massages the calves in an upward, rolling or wave-like fashion, improving circulation throughout the body. Go Pro and give your feet and lower legs the relief, rejuvenation and wellness they deserve.

More Features for More Comfort

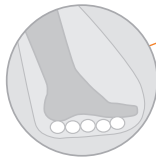

Patented Figure-Eight™ Technology

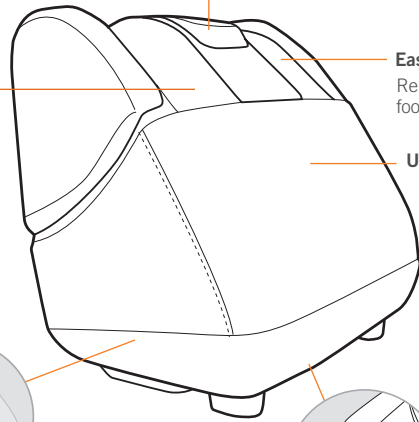

Massages calves in an upward, rolling or “wave-like” fashion, forcing blood away from the feet and toward the body’s core to improve blood flow and wellness.

Motor-Driven Rollers

Powerful rollers under the feet provide a robust reflexology massage to the sole and heel.

On-Board Control Panel

Easy Sleeves™

Removable and washable foot liners.

Upholstered Body

Comfort-Positioned with Adjustable Stand

Weight	26 lbs.
Voltage	AC110-120V 60 Hz
Power Consumption	60 Watts

MESSAGE CONTROLLER – It’s all at your fingertips

Three Automatic Programs

P1 Refresh & Relax

Alternating between fast and slow cycles, this program aggressively invigorates and energizes muscles and joints, then fluidly transitions to relaxing, kneading movements to provide the best of active and passive massage benefits.

P2 Brisk Relief

A moderate kneading massage that intermittently stops throughout the program, firmly gripping the muscles and giving the sensation of an expert massage therapist applying firm pressure on the entire lower calf and foot for exceptional relaxation and improved circulation.

P3 Under-Foot Indulgence

This targeted, deliberate massage firmly grips the calf and foot to create an invigorating under-foot massage sensation that relaxes and soothes sore, tired feet.

Three Speeds: Low, Medium, High

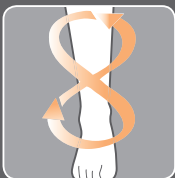

Model number: HT-1350

Part number: 200-1350-001 (Black)
 200-1350-002 (Cream)

1-Year Limited Warranty

Soothes aching feet and calves

You’ve tried those really expensive shoes. You’ve tried to bribe your significant other for a massage. Now try something that will actually help you relax and rejuvenate those sore, tired foot and lower-leg muscles. The CirQlation™ Pro Foot & Calf Massager is ready, willing and able to help.

PATENTED FIGURE-EIGHT™ TECHNOLOGY

Massages the calves in an upward, rolling or wave-like motion, circulating blood from the feet toward the core of the body, allowing fresh nutrients to re-enter the calves and feet for greater healing and soothing comfort.

UNDER-FOOT MASSAGE ROLLERS

Powerful rollers under the feet provide a robust reflexology massage to the sole and heel.

ON-BOARD CONTROL CONSOLE

Select from three speeds or three auto-massage programs—Refresh & Relax, Brisk Relief and Under-Foot Indulgence—with the push of a button.

EASY SLEEVES™

Removable and washable liners in the foot-and-calf massage wells. To clean, simply unzip the cloth, launder it as you would an article of clothing, then replace it.
