

CHAIRS FOR CHARITY

For every Human Touch product purchased, a contribution will be made to help someone receive their own wellness solution.

CHAIRS FOR CHARITY STORIES

American Family Housing Organization

The Human Touch® Chairs for Charity program serves as a way for Human Touch to give back to the community through the donation of their state-of-the-art massage chairs and Perfect Chair® recliners. This exciting program places an emphasis on those who work to serve their respective communities as first responders, family enrichment and childcare services, public safety sectors, and individuals who face daily challenges due to back pain or other health issues.

In August 2022, Human Touch was able to donate an **iJOY® Total Massage chair** to **American Family Housing**, a company that has helped homeless families in Southern California to find cost-effective housing. For over 30 years, the amazing staff has improved the lives of multitudes of individuals, and the new iJOY Total Massage chairs have been a welcomed reward for their hard work.

Since I have started using the massage chair my injured back feels much better, and it's giving me such great relief I use it every day for half an hour. I highly recommend for people who has muscle aches and pains. Having it in our wellness room helps me feel relaxed and ready to take on the day. Try it, and you will get addicted to it in a healthy way.

-Rohit

As the Office Manager, having a massage chair eases the work-induced stress. Unfortunately, I don't have time to go get a massage so to be able to be pampered while at work with a massage is so relaxing and beneficial. There is nothing like a massage chair to alleviate stress and improve my mood!!

-Milo

In love with our new full-body massage chair at the office! It feels amazing on my lower back and gives me an opportunity to relax for a few minutes and recharge. Having it in our new Wellness Room really completes a space where I feel comfortable to take a few minutes for myself and, in turn be a more productive employee. Thank you, Human Touch!

-Alyssa
