

## CHAIRS FOR CHARITY

For every Human Touch product purchased, a contribution will be made to help someone receive their own wellness solution.

### CHAIRS FOR CHARITY STORIES

#### Los Angeles County Fire Department, Downtown LA

In 2023, Human Touch donated a Novo XT massage chair to the LAFD station 9 in Downtown Los Angeles, more specifically near the famed Skid Row of LA. This station is known as one of the busiest fire stations in the country. In 2023 they were reported to have logged over 16,390 emergency calls across a distance of just 1.28 miles. These brave individuals push themselves so hard, and we were beyond honored to be able to support their physical recovery.

*“Being assigned to one of the busiest stations in Los Angeles, this massage chair allows our body and sore muscles to recover after a long day. We have about 60 members assigned to Fire Station 9, and this is a huge benefit to us as we could not afford to purchase it on our own. -Engineer Leo Navarro.*

*“This donation by Human Touch is amazing! I use it when I start my shift and end my shift. It allows me to meditate and heal my body after a busy shift. Thank you again for this amazing donation. -Firefighter/Paramedic Andrew Machado*

*“Our bodies are always trying to recover after running so many calls. The members at Fire Station 9 are forever grateful for this donation! -Captain Bryan Geiger*
