CHAIRS FOR CHARITY STORIES

The Lakewood YMCA

There are many people in our community who rely on our Lakewood Family YMCA to have access to resources that they otherwise would not. The donation that Human Touch has been able to make to our YMCA is what helps us to continually grow and help others. We're glad to have partnered with their Chairs for Charity program and that people who suffer from an illness or ailment will be able to have an opportunity to receive a chair that will help them feel better and recover.

– Emilio Sosa, Senior Executive Director
Lakewood Family YMCA

The Human Touch **Chairs for Charity** program launched in November 2018 with a chair donation to the Lakewood YMCA at their 2018 Children's Charity Auction and Dinner. Human Touch's contribution helped raise the funds needed to keep the Lakewood YMCA Camp Oaks summer program going.

For over 50 years, Camp Oakes has taken generations of children, groups, and families to new heights by giving them the opportunity to attend the camp at no cost. Camp Oaks has been able to help kids in the community by delivering the ultimate camp experience, providing high quality programs including fishing, rifles, archery, canoeing and more.
