

## MOUNTS AND ACCESSORIES

**Designed for Flexibility:** The Altwork<sup>®</sup> Signature Station lets you tailor your workspace to perfection, whether you're using one monitor or three. Enhance your setup with a variety of monitor mount systems and accessories for an experience that's uniquely yours.

### MONITOR MOUNT SYSTEMS

The Altwork Signature Station includes a single monitor mount that fits any monitor size up to 40 lb.

---

#### TRIPLE MONITOR MOUNT

Fits up to three (3) 27" monitors horizontally up to a total of 40 lb.

- Not compatible with any other mount system.

#### DUAL SIDE-BY-SIDE MONITOR MOUNT

Fits up to two (2) 27" monitors horizontally up to a total of 40 lb.

- Not compatible with any other mount system.

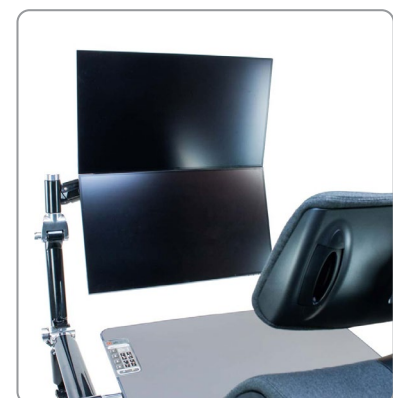

#### DUAL UPPER-LOWER MONITOR MOUNT

Fits up to two (2) monitors up to 32" vertically. Total monitor weight allowance is 40 lb.

- Compatible with the Laptop and Side monitor mounts only.

**Note:** Using some ultrawide monitors may obstruct adjacent mounts, making them incompatible.

## SIDE MONITOR MOUNT

Mount an additional monitor on the left-hand side of the Signature Station. Total monitor weight allowance is 40 lb.

- Compatible with the included single mount and Dual Upper-Lower monitor mount only.

**Note:** Using some ultrawide monitors may obstruct adjacent mounts, making them incompatible.

## LAPTOP MOUNT

Position a Laptop up to 17.3" on the left-hand side of the Signature Station using the quick-release mount to easily add a second monitor screen. Total monitor weight allowance is 40 lb.

- Compatible with the included single mount and Dual Upper-Lower monitor mount only for up to 36".

## ACCESSORIES

---

### CUP HOLDER

Accommodates beverage containers up to 3.5" in diameter and swivels 360 degrees to prevent spills in any position.

### NOTEBOOK

A vegan, leather-bound magnetic notebook (8.4 x 5.75") that securely attaches to the desk, offering convenient access for note-taking in any position.
