

EVERYDAY PERFECTION

The Human Touch® Perfect Chair® PC-365 is thoughtfully engineered to deliver exceptional comfort through design, technology, and wellness. Created with reliability and refined simplicity in mind, PC-365 embodies the essential elements of the Perfect Chair experience.

Its powered recline system gently guides the body into zero gravity with smooth, effortless control. Precision-contoured seating maintains optimal ergonomic alignment at every recline angle, providing consistent support and restorative relief, day after day.

DEFY GRAVITY

The Perfect Chair cradles you in zero gravity comfort, with your feet above your heart—the ultimate, doctor recommended, neutral-posture position for back and spine relief. Sitting in zero gravity relaxes and rejuvenates the spine by naturally decompressing the vertebrae. The healthiest way to sit, for a reason.

ELECTRIC RECLINE SYSTEM

A smooth, high-performance recline system eases the chair from upright to full recline. Take control and release the lever at your desired angle.

ARTICULATING HEADREST

Easily customize your head position for personalized comfort at any recline angle.

FULL-SUPPORT PILLOW

The comfort pillow gently cradles the neck, providing ergonomic support to help ease tension and promote relaxation..

SÖFHYPDE UPHOLSTERY

A leather-like upholstery containing no animal hide, designed to stand up beautifully to daily use. The pad set features a continuous body pad for a seamless, tailored look and uninterrupted comfort. Built for lasting performance, it delivers the smooth feel of leather in a durable, easy-to-maintain alternative.

THE STRENGTH OF STEEL

High-tensile-strength steel is sandblasted, cleaned, and powder-coated with a protective finish to ensure long-term durability and a smooth, quiet glide when reclining.

THE WARMTH OF WOOD

Our hand-carved and hand-finished solid wood base is made from the Hevea Brasiliensis (rubber tree), which yields one of the strongest woods on earth. The result—rich, lustrous beauty that lasts for years and years.
