Remote Control User Guide

Super Novo 3.0

AI PROGRAMS: Create unique, AI-generated massages and save up to 4 experiences.

MANUAL MASSAGE: Customize your session with 7 massage styles, featuring precise control over zones, intensity, and speed.

AUTO PROGRAMS: Choose from 18 curated massages.

CLOUD TOUCH ACUPRESSURE: Select and combine air compression zones to customize intensity and control underfoot roller speed.

SETTINGS: Manage connectivity, software updates, massage duration, and chair preferences for a personalized experience.

Swipe right during a massage session to access the main menu or swipe left to return to the massage session screen.

SOUND SOOTHE: Enhance your recovery with 8 immersive nature tracks.

POWER: Stop all functions, restore your chair to the upright position, and put tablet in 'sleep' mode.

COMFORT AND POSITION CONTROLS: Quickly adjust the chair recline angle, leg and foot positions, as well as access to the preset Zero Gravity and Horizon Rest positions and chair heat.

VOICE CONTROL: Go hands free and tell your chair what massage or adjustments you want.

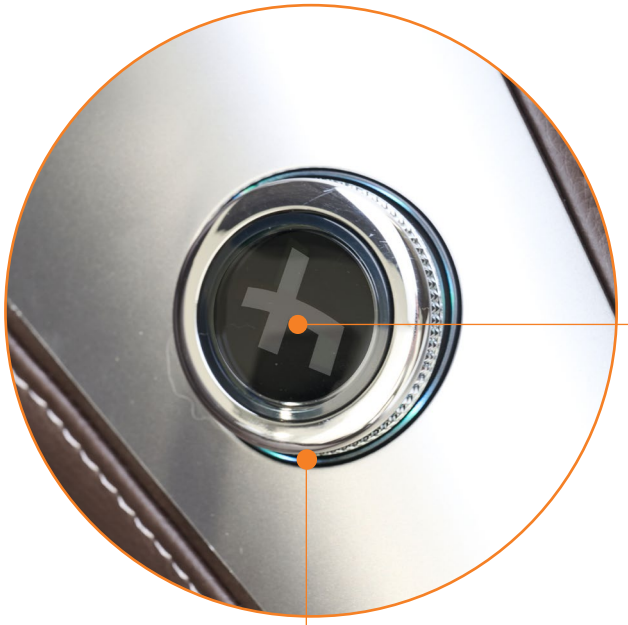

For more detailed operation instructions, please see the Use and Care Manual.
