

LOWER BACK PAIN AND DISCOMFORT AFFECTS NEARLY TWO-THIRDS OF THE AMERICAN POPULATION.

Indulge in ultimate relaxation with our **Hale Premier ZG Recliner** by Relax The Back®, meticulously crafted for zero gravity comfort to relieve your body of tension. Through its unique design, this chair ensures a neutral body alignment, evenly distributing gravity across your body.

The result is a remarkable reduction in pain and pressure, providing you with unparalleled comfort and tranquility.

HALE *Premier*
ZG RECLINER

Proprietary memory foam in the back, seat, and pillow conforms to your body's unique contours.

Elevation of the legs above the heart helps improve blood flow.

A revolution in seating design, the dual-motor power allows independent positioning of the recline angle and leg elevation.

Neutral-posture positioning evenly distributes your body weight to eliminate painful pressure points.

Zero gravity positioning allows for deeper, more relaxed breathing.
