

THE MASSAGE EXPERIENCE, DEFINED.

Take wellness to a new level with the Human Touch® Super Novo X, which offers a captivating design and delivers dual multidimensional massage along the entire length of your spine and all the way down to your glutes. Experience a synchronized, four-hand massage in the Super Novo X's Horizon Rest position for maximum comfort and relaxation. Choose from Meditation programs that combine a soothing soundtrack with your massage, helping you to focus your breathing and achieve a relaxed state of being. Or try the Yoga Studio programs, which use deep stretching and pressure to loosen and relieve pain from tight muscles. Complementing its advanced technology, Super Novo X delivers an unrivaled, truly hands-free experience with the help of Willow, your **Virtual Therapist**® available only in the Human Touch App.

Just slide in to relax and recover in style with the Super Novo X's Teardrop Doors that pivot upward for easy entry—and exit, though you'll never want to.

**SUPER
NOVO X**

HT FLEX S- AND L-TRACK SYSTEM

Designed to move with the natural curves of the body, the **L-Track** extends high-performance coverage from your neck and shoulders all the way down to your glutes as the **S-Track** closely follows the curvature of the spine, all while **HT Flex** allows for a wider range of motion and maximum comfort.

HT FLEX ADVANCED FULL-BODY STRETCH

Our expansive "bend and stretch" functionality paired with HT Flex provides unprecedented leg and spine relief, increasing blood flow to the vertebrae and discs and rejuvenating the lower back, allowing you to recover with greater efficiency.

DUAL-LUMBAR HEAT

Adjustable and targeted heat gently soothes the back to loosen tight muscles and help relieve pain.

HORIZON REST

One touch to a flat recline for maximum comfort.

ACUPOINT® BODY SENSING

Rapid shoulder height detection to map your massage for maximum effectiveness. Manual selection option also available.

MEMORY SETTINGS

Take a load off and let the chair remember the last setting used for shoulder height detection method, time preference, remote beep, and Bluetooth with even more available in the Human Touch App!

SPACE SAVING DESIGN

Only 2" of rear wall clearance is required in order to pivot seamlessly from the upright to reclined position.

BATTERY BACKUP

Battery safety feature will enable you to incline one time to exit the chair in case of a power outage.
