

Soothe. Refresh. Relieve.

CIRQLATION® | Patented Figure-Eight Technology®

The Human Touch® Reflex SOOTHE Foot and Calf Massager incorporates CirQlation and Figure-Eight Technologies that are designed to emulate those of a professional masseuse. Massaging the feet and calves in an upward, rolling or wave-like motion, and forcing blood away from the feet and toward the core of the body, helps to improve circulation. By incorporating reflexology massage, a popular holistic and complementary therapy, the Reflex SOOTHE helps to improve general health and relieves stress and pain in other parts of the body. With an adjustable tilt base to find the perfect massage angle, along with removable and washable sleeve inserts for a fresh massage every time, the Reflex SOOTHE is perfect for a calming massage at the home or office.
