The Novo XT massage chair is the chair that changes the game. Featuring a striking design and best-in-class performance, it provides a therapeutic massage that can be custom-tailored to fit your lifestyle so that you can be and feel your best.

The Novo XT epitomizes the Unibody design, which enhances the style of any room. Its distinctive L-Track massage system also covers 60% more of your back than conventional massage chairs, delivering three-dimensional massage along the entire length of your spine and to the way down to your glutes.

Create your own custom massage experience with five intensity settings and three deep-tissue massage programs designed to soothe, stretch, and rejuvenate your entire body. Whether you’re preparing for an intense workout, recovering from a lingering injury, or winding down after a long day at the office, the Novo XT is the perfect way for you to supercharge your daily ritual.

**SUPERCHARGE YOUR DAILY RITUAL**

The zero-gravity position cradles your back and elevates your legs above your heart, the position doctors recommend as the healthiest way to sit.

- Relaxes and rejuvenates the spine by naturally decompressing the vertebrae
- Elevates legs above the heart, helping to improve circulation
- Helps expand lung capacity, allowing for deeper, more relaxed breathing

**DEFY GRAVITY**

Feel better. Play better. Live better.

HEALTH & WELLNESS BENEFITS

RESTORATION
Modern life can cause stress injuries, such as tension headaches from excessive computer screen time or back pain from repeatedly poor posture. Daily massage corrects these daily strains in order to improve your overall health.

REJUVENATION
Massage helps to improve mental clarity and reduce anxiety. Even just 15 minutes of daily massage can contribute to better sleep, improved mental focus, and a greater sense of well-being.

RECOVERY
Regular massage helps athletes of any level prepare for, and recover from, strenuous workouts by increasing oxygen-rich blood to tired and sore muscles. This helps improve physical mobility and reduces recovery time.

REHABILITATION
34 expertly designed massage programs help the body recover from a variety of physical conditions, including Back Pain, Sciatica, Arthritis & Fibromyalgia.

AUTO-WELLNESS PROGRAMS
Integrates 34 programs, including full-body orientation, deep tissue and an effective collection of therapeutic relaxation and recovery programs.

FULL-BODY STRETCH
Our innovative “Full and Stretch” functionality provides unprecedented leg and spine relief, encouraging blood flow to the periphery and discs throughout your lower body, allowing you to recover with greater efficiency.

ZERO-GRAVITY MASSAGE
Ergonomic zero-gravity seating provides extra relief of back pain and reduced pressure on the vertebrae, allowing your large muscles to completely relax for a restorative massage.

FLEX 3D Massage Technology
Expertly mimicking the hands of a world-class masseuse, Novo XT massage technology extends into muscles for a therapeutic, fully enveloping, intense massage. With five intensity settings, you can customize just the right massage pressure to your liking.

SPACE SAVER DESIGN
The Novo XT requires only 2” of wall clearance in order to pivot seamlessly from the upright to reclined position.

L-TRACK UNIBODY Design
The L-Track Unibody design ensures up to 85% of the body is covered by dedicated massage coverage, giving you a complete performance coverage from your neck to your glutes.

LUMBAR HEAT
Using warm air technology, targeted heat continually flows to the lumbar area, gently soothing tight muscles and releasing pain.

BUILT-IN USB PORT
Use the built-in USB port to charge your phone and hold device while you listen to music, watch videos, or read an eBook.

EXTENDING FOOT-AND-CALF MASSAGER
With under-foot rollers for optimized reflexology and adjustable intensity for calves and feet, the extendable leg rest automatically adapts to your height.

BUILT-IN BLUETOOTH SPEAKERS
Immerse yourself in soothing music while enjoying a relaxing massage. Connect your phone or music device to the built-in speakers via bluetooth.
