

Remote Control User Guide

Perfect Chair® Tranquility

JADE – Toggle between high (III), medium (II) and low (I) far-infrared heat.
NOTE: The jade stones continue to heat slowly as long as the heat is running. The heat automatically turns off after 30 minutes, as this is the recommended duration. Wait 30 minutes before starting another session.

WAVE – Turn the soothing gentle-wave therapy on or off.

For more detailed operation instructions, please see the Use and Care Manual.
