Human Touch[®] Massage Chair

Yes, it is as amazing as it looks.

When it comes to your health and wellness, second best just won't do. So when it came to conceiving and designing the AcuTouch[®] 9500x, we applied our 30-plus years of expertise and nothing but top-tier systems, components and materials to create a massage chair that redefines elegance, comfort and relaxation.

Within its sleek form and premium leather upholstery, this advanced chair features a wealth of auto-massage programs inspired by our wellness experts to make it easy to get the exact experience and relief you want with the push of a button. The deep foot-and-calf wells with patented Figure-Eight[®] Technology improves circulation and invigorates sore, tired muscles. You can also personalize your massage experience to your body and needs with an array of precision positioning and comfort controls. The AcuTouch[®] 9500x, a premier massage and wellness experience from the premier name in home wellness.

MASSAGE COMFORT CONTROL

Use the Massage Comfort Control on the remote to customize the massage intensity. You can also use the Massage Comfort Control (in non-massage mode) to create a seating experience of unsurpassed comfort and relaxation.

8 AUTO-PROGRAMMED MESSAGES

Select the expertly designed program that fits your needs and desires – Full-Body Sore Muscle Relief, Sports & Back Therapy, Leg/Foot/Hip Therapy, Neck/Shoulder Relief, After-Work Stretch, Morning Program, Nighttime Program.

ACUPOINT® DETECTION SYSTEM

To ensure an effective and targeted massage, our Acupoint® Detection System scans the entire length of the back, mapping key pressure points to target during your customized massage.

DUAL-LUMBAR BACK HEAT

Heat encourages blood vessels to expand, rushing nutrient-rich blood to the sore or tense areas to promote healing. Two lumbar heat modules gently warm the lower back muscles, gradually reducing tightness and pain.

SEAT MASSAGE

Patented 8-Point Pulsating Seat Massage System delivers a targeted massage to the body's largest muscles helping to relax stress and strain, and relieve sciatic tension.
