

iJOY®

massage anywhere™

Same powerful FlexGlide robot as found
in Human Touch massage chairs

A powerful, portable massage on the go

The Human Touch® iJoy® Massage Anywhere™ is a powerful, portable solution for the perfect massage anytime (and anywhere) you need to recharge and soothe tired muscles. Delivering the same powerful FlexGlide® orbital massage that you know and love from the iJoy Active massage chair, the Massage Anywhere replicates techniques used by massage professionals to relax and recharge your body. Enjoy any of three professionally designed, invigorating auto-massage programs, or customize your experience for the perfect massage, no matter where the day takes you!

Enjoy all the benefits of real massage in a portable, cordless package.

- 1 Portable, cordless massager for the home, office, or on the go
- 2 Features the same Powerful FlexGlide® orbital massage robot used in Human Touch massage chairs
- 3 Rechargeable lithium-ion battery provides 2 full hours of massage; no need to access a wall outlet while in use
- 4 Hand-held remote controls 3 programmed massages designed by wellness experts
- 5 Maximum portability with handle and adjustable shoulder strap

Take Control

Choose a technique to suit your mood. Massage Anywhere lets you customize your experience using a wide variety of massage techniques. No matter how you use it, your massager offers maximum massage flexibility and therapeutic benefits.

Power Up

The Massage Anywhere battery system has power to spare. Two full hours of run time means up to eight 15-minute massage sessions per charge. The included smart charger will take the lithium-ion battery back to 100% overnight.
