CHAIRS FOR CHARITY STORIES

Los Angeles County Fire Department, Hollywood

In January 2023, Human Touch donated a Novo XT massage chair to the LAFD station 27 in Hollywood, CA. The feedback from the firefighters at this station was filled with gratitude and joy, as the chair was much-needed by this hardworking team. We have been so honored to be able to support them in this way, and appreciate all that they do.

The massage chair was delivered and set up by your driver on Saturday. By Sunday, I don't think there was one firefighter that hadn't given it a "test run." It's a big hit right now and is definitely getting broken in appropriately. I'd be hard pressed to think of a more appropriate piece of equipment in the Fire Station to support the physical and mental wellbeing of our firefighters!! We are so grateful for you and Human Touch, it allows us to be "Our best, Every day." -Firefighter Matt Castillo
