SMART 3D MASSAGE ENGINE

Every contour of your body is therapeutically touched by the unparalleled flexibility and seamless glide of our patent pending orbital massage technology.

CUSTOM MASSAGE & COMFORT

Manually set your preferred massage programs to your desired intensity with the easy-to-use remote. Enjoy the foot, seat, and heated back massage all at once or independently – you choose! Includes adjustable softening pads for added comfort in the shoulder and lumbar regions.

FULLY ENCOMPASSING FOOT & CALF MASSAGER

The fully encompassing foot-and-calf massager is designed for a therapeutic massage complete with vibration and proprietary Figure-Eight Technology that helps push the blood flow in an upward motion to improve circulation. Under-foot rollers provide a reflexology massage while the foot-and-calf massager extends to your desired position, and also rotates to a traditional ottoman. To help keep your foot massager clean, simply remove the washable Easy Sleeves®.

GO TO ZERO®

One-step press and hold moves the ZeroG 5.0 into the zero-gravity position, the physician recommended neutral-posture position that relieves pressure on the spine at any recline angle.

LUMBAR HEAT

Using warm air patented technology, two lumbar heat modules gently envelope your back, soothing tight muscles and relieving pain.
